TOYOTA

Let's
Go
Places

Built for those who dream big. The 2016 Toyota Corolla.

Let's get where you want to go. The 2016 Toyota Corolla is your all-access pass to life, ready to help you achieve that next big dream, and in plenty of style too. With its chiseled curves, standard LED Daytime Running Lights (DRL) and available 17-in. alloy wheels, you can bet that all eyes will be on Corolla. And features like an available spoiler elevate this ride's attitude to the next level. Premium materials and tons of space mean that your friends and gear can ride in comfort, and advanced tech helps keep you connected to your music, maps and apps.¹ Big things are about to happen. Let's go places.

"What will everyone
say about your Corolla?
Look at that grille,
that stance and that
attitude."

¹. See footnote 12 in Disclosures section.

S Plus shown in Blue Crush Metallic with available moonroof.

Today is the start
of something big.

"Culinary cravings,
best friends and a
ready-for-anything
attitude."

Left to right: **S Plus** shown in Blue Crush Metallic with available moonroof, **LE Eco Premium** shown in Blizzard Pearl¹

1. Extra-cost color.

Surprising style. Advanced tech. It's time to make your move.

Let's turn it up – Corolla is ready. For those with a sporty soul, there's Corolla S, with an aggressive front grille, rear spoiler and sport seats. LE Eco, with up to an EPA-estimated 42 highway mpg,¹ is all about getting higher mileage out of your tank, and it has fuel-friendly features, like available ECO Mode and 16-in. aerodynamically designed alloy wheels, to help maximize the fun in every journey. The 2016 Corolla was built to inspire, whether you're just admiring it in your driveway or pursuing the perfect slice of pie. Just slide into the stylish interior: Corolla is ready to go.

"Let's get the band back together for one last show. We've got big plans and the perfect car to help get us there."

Left to right: **S Plus** shown in Blue Crush Metallic with available moonroof; **LE Eco Premium** shown in Blizzard Pearl.¹

1. Extra-cost color.

The 2016 Corolla Special Edition. Elevate your appeal.

Let's draw a crowd. The stylish 2016 Corolla Special Edition turns everything up, with unique 17-in. gloss-black wheels, red-accented interior and Special Edition badging. A driver-inspired cockpit with Smart Key System¹ is ready to attack the streets, while the black interior with red contrast stitching and matching accent trim grabs extra attention. It's high tech with higher style. Let's go places.

A CUSTOMIZED INTERIOR

Corolla Special Edition's style is always on point, inside and out. Open the door, and you'll find a modern black interior enhanced with bold red accents on the instrument panel and door trim. Softer surfaces like the sporty front seats, shift boot, center console armrest and door armrest also pop with red contrast stitching.

SPECIAL EDITION FLOOR MATS²

When you really want to stand out, it's the details that make everyone stand up and take notice. Corolla Special Edition features stylish, exclusive floor mats whose tailored fit and Special Edition badge help ensure that your interior style is always on point.

ABSOLUTELY RED EXTERIOR

Let's show the streets who's boss. Corolla Special Edition earns respect wherever it goes, with three available eye-catching colors and limited Special Edition badging. It's style that tells the world big things are about to happen, so let's get inside and lead the way.

UNIQUE 17-IN. ALLOY WHEELS¹

You're always on the move, and Corolla Special Edition has the attitude to get you to that next level with its exclusive set of 17-in. alloy wheels. Their unique gloss-black finish helps keep all eyes on you, making you the center of attention wherever you go.

Corolla Special Edition shown in Absolutely Red.

1. See footnote 3 in Disclosures section.

A space that feels like it was custom-made for your lifestyle.

The future is all about flexibility. That's why the interior of the 2016 Corolla has been designed to accommodate a lifestyle. One minute you're hauling your friends, the next minute, enough gear to outfit your band. Got big plans and bigger cargo? Rear seats easily fold down to fit fewer friends and more stuff. Maybe you just want to count stars: Simply slide open the available moonroof. Corolla is designed to be the perfect partner no matter what you, or your friends, decide to do.

AVAILABLE AUTOMATIC CLIMATE CONTROL

No need to worry about the weather. Just select an exact temperature level using the digital control, and the automatic climate control will take care of everything else. It's the perfect partner to available heated front seats.

60/40

The 60/40 split rear seats on Corolla make it easy to transform the space to fit more cargo. Fold one seat down to get a little extra space; fold both, and you have a do-it-yourself flat-screen TV delivery space.

AVAILABLE SOFTEX®

Elegance with the environment in mind. Available on LE Premium, LE Eco Premium and S Premium, SofTex® seats blend science and luxury: leather-like, water- and stain-resistant, and supportive on those long road trips.

LE Premium interior shown in Black SofTex®

We'll make this quick. This car is ready for life in the fast lane.

Hold on a minute—that's a Corolla? That's what people will say when they first see its sport gauge cluster and gated shifter. Every feature adds to Corolla's sport-inspired stylishness. With sleek available paddle shifters and a Sport Mode that delivers real hands-on performance and more fun behind the wheel, Corolla feels fast and looks cool. And sometimes on a late-night food run, that's all that matters.

SPORT GAUGE CLUSTER

Everything you need is right in front of you. The customizable Multi-Information Display with 3.5-in. screen lets you monitor important information, like current/average fuel economy and estimated cruise range.

GATED SHIFTER

If you are a purist, you'll be glad to know that Corolla S comes with a gated shifter, which lets you shift gears through slots rather than just up and down in a straight motion. It's all about the driver.

AVAILABLE SPORT MODE

A push of a button is all you need to get every drop of excitement out of Corolla S with CVT transmission. Once Sport Mode is enabled, the Engine Control Unit and simulated shift points are changed to enable a sportier feel.

SMART KEY SYSTEM¹

When your ride looks this good, you can't wait to get inside. This convenient piece of tech lets you unlock the front doors and trunk plus start Corolla with just the push of a button—all while the key fob sits comfortably in your pocket or bag.

STOP

S Plus interior shown in Steel Blue mixed media with available moonroof and Driver Convenience Package.

1. See footnote 19 in Disclosures section.

High tech meets high style. It's a match made in tech heaven.

Corolla will fit seamlessly into your network. Your car, phone and music have just become one. Standard features like Bluetooth^{®1} connectivity, steering wheel-mounted audio and phone controls, and available cruise control attest to its technophile soul, while available Entune[™] Premium Audio with Integrated Navigation² and App Suite³ brings a whole new level of options to your fingertips: You can plug in an address, get directions, make restaurant reservations and even buy movie tickets. Go ahead: Call your friends. They'll want to hear about this.

ENTUNE[™] PREMIUM AUDIO WITH INTEGRATED NAVIGATION AND APP SUITE

This available technology helps you stay connected to your social network, locate fun spots in the city, listen to your favorite music and even make dinner reservations. Its ergonomic design and easy-to-read display help keep everything you need within reach.

BACKUP CAMERA⁴

Corolla's available integrated backup camera helps guide you into, or out of, the tight spots. When you shift into Reverse, the 6.1-in. touch-screen on the dash displays an image of what the camera sees behind you.

USB⁵

Playlist-friendly. Plug your iPod^{®6} or MP3 device in and get instant access to your music library through the USB port, or stream music⁷ through Bluetooth[®] wirelessly. When it comes to being connected, you've got options.

1. See footnote 10 in Disclosures section. 2. See footnote 15 in Disclosures section. 3. See footnote 12 in Disclosures section. 4. See footnote 17 in Disclosures section.

5. See footnote 6 in Disclosures section. 6. See footnote 7 in Disclosures section. 7. See footnote 9 in Disclosures section.

PADDLE SHIFTERS

Bring on the twisty mountain roads. Paddle shifters, available on Corolla S CVT, give you more control over engine power for a spirited driving experience.

S Plus CVT interior shown in Steel Blue mixed media with moonroof and available Driver Convenience Package.

Desire can't be measured in a wind tunnel, but efficiency can.

Beauty is more than skin deep, especially when it comes to aerodynamics. Corolla's sleek taillights, refined bumpers and flat floor design all add up to an impressive efficiency rating. Enhanced handling, an available shiftless transmission called CVTi-S, and Valvematic technology,¹ a valvetrain mechanism that optimizes intake valve lift, all come together to help earn up to an available EPA-estimated 42 highway mpg²

LE ECO MPG

An advanced ride deserves an advanced powertrain. LE Eco's 140-hp aluminum 1.8-liter engine with Valvematic technology offers up to an EPA-estimated 42 highway mpg². With eight more horsepower than other Corolla models, it offers added fun too.

ECO DRIVING MODE

Selecting this mode on Corolla LE Eco Plus and Premium eases the output of the gas pedal and also regulates the air conditioning for better fuel efficiency. Just like that, you've got a little extra for a gourmet treat.

LE Eco Premium shown in Blizzard Pearl.¹

1. Extra-cost color.

Safety never goes out of style. So we made it standard.

We believe every journey should be a safe one. That's why every new Corolla comes standard with the Star Safety System,[™] our advanced integration of safety technologies that includes Enhanced Vehicle Stability Control (VSC),¹ Traction Control (TRAC), Anti-lock Brake System (ABS), Electronic Brake-force Distribution (EBD), Brake Assist (BA)² and Smart Stop Technology[®] (SST).³ In addition to these confidence-inspiring safety features, Corolla has LATCH to help keep children secure and safe, Whiplash-Injury-Lessening Seats (WIL),⁴ and a Tire Pressure Monitor System (TPMS).⁵

A driver and front passenger Advanced Airbag System, driver and front passenger seat-mounted side airbags, front and rear side curtain airbags, driver knee and front passenger seat-cushion airbags come standard on Corolla. It's all part of a system designed to help keep you safe.

LATCH

LATCH (Lower Anchors and Tethers for Children) provides an added measure of safety for the smaller members of your family. LATCH includes lower anchors on the outboard rear seats and tether anchors on all rear seats.

WHIPLASH-INJURY-LESSENING SEATS

In addition to several safety features, Corolla comes with Whiplash-Injury-Lessening front seats that can help reduce the severity of whiplash injury in certain rear-end collisions.

TIRE PRESSURE MONITOR SYSTEM

One of the best ways to help efficiency and performance is to make sure tires are properly inflated. TPMS is designed to alert the driver if one or more of the tires are critically low.

1. See footnote 21 in Disclosures section. 2. See footnote 22 in Disclosures section. 3. See footnote 23 in Disclosures section.
4. See footnote 25 in Disclosures section. 5. See footnote 18 in Disclosures section. 6. See footnote 24 in Disclosures section.

LE shown in Barcelona Red Metallic.

Elevate your drive to a whole new level.

"Good friends, great coffee,
and a hunger for an out of
the ordinary, food-focused,
adventure-filled day."

Accessories

Corolla is packed with attitude and style, but you might want to add a few items to suit your own unique tastes. For tough climates, choose all-weather floor mats²⁰ or mudguards, and for extra style, add doorsill enhancements, illuminated doorsills or body side moldings. For a complete list of accessories, go to toyota.com/corolla.

Alloy wheel locks
All-weather floor mats²⁰
Ashtray cup
Body side moldings
Cargo net — envelope¹
Cargo tote¹
Cargo tray

Carpet floor mats²⁰
Carpet trunk mat
Door edge guards
Doorsill enhancements
Emergency assistance kit
First aid kit
Illuminated doorsill

Key Finder²⁷
Mudguards
Paint protection film — front bumper
Paint protection film — hood and fenders
Rear bumper protector
TRD lower springs
TRD Performance air filter

TRD Performance exhaust
TRD Performance oil filter
TRD rear sway bar

Body side moldings

Cargo tray

TRD Performance exhaust

Doorsill enhancements

TOYOTA FINANCIAL SERVICES

Toyota Rewards Visa®

Toyota helps you get more out of every dollar you spend. By rewarding you for every purchase you make, the Toyota Rewards Visa® adds even more value to doing the things you love.

Turn everything you buy into points to redeem toward parts, accessories or an eligible vehicle purchase or lease at your Toyota dealer. Earn 5 points for every \$1 spent at participating Toyota dealers and 1 point for every \$1 spent everywhere else Visa is accepted.*

Visit www.toyotarewardsvisa.com for complete details.

Toyota Financial Services (TFS)[†] is a leading provider of automotive financial services, offering an extensive line of financing plans along with a variety of vehicle and payment protection products to Toyota customers and dealers in the U.S. For more information on TFS products and services, visit www.toyotafinancial.com

*On approved credit. You must have a valid permanent home address in the 50 United States or the District of Columbia. Terms, conditions and restrictions apply and are fully described in the Toyota Rewards Visa Cardmember Agreement and the Toyota Rewards Program Terms and Conditions received with your card. Points earned are based on net purchases. Points-earning maximums apply and points will expire as described in the Rewards Terms and Conditions. Redemption only available at participating Toyota dealerships in the continental U.S. and Alaska. Points cannot be redeemed for cash. Please contact your participating Toyota dealer for information regarding restrictions your dealer may impose on the use of credit cards related to vehicle purchases or leases. The creditor and issuer of the Toyota Rewards Visa is Toyota Financial Savings Bank. Toyota Financial Services is a service mark used by Toyota Financial Savings Bank.

[†]Toyota Financial Services is a service mark for Toyota Motor Credit Corporation and Toyota Motor Insurance Services, Inc.

CARS BUILT FOR THE WAY YOU LIVE

At Toyota, we build cars for how you live. From building advanced safety features designed to help prevent crashes to driving cross-country to understand how we can make your driving experience better, our work starts with understanding your needs. Building cars for how you live also means thinking about tomorrow—from fuel efficiency and environmental innovations, to things beyond cars, like a bicycle that you can control with your mind. And because what we learn building cars can help improve lives in other places, we do things like help communities rebuild their homes quickly after a disaster and work with soup kitchens to help them serve more people faster. Toyota. Built for how you live. Together we are going places.

DISCLOSURES

1. Cargo and load capacity limited by weight and distribution. 2. 2015 EPA-estimated mileage. Actual mileage will vary. 3. 17-in. off-road performance tires are often expected to experience greater tire wear than conventional tires. Tire life may be substantially less than mileage expectancy, depending upon tires used and driving conditions. 4. Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. 5. Entune™ is a trademark of Toyota Motor Corporation. Always drive safely, obey traffic laws and focus on the road while driving. Services vary by phone/carrier. Functionality depends on many factors. Services subject to change. For enrollment and more details, see toyota.com/entune. 6. May not be compatible with all mobile phones, MP3/WMA players and like models. 7. iPod® and iPhone® are registered trademarks of Apple Inc. All rights reserved. 8. Advanced voice recognition capabilities vary by head unit. 9. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps and services subject to change. See toyota.com/entune for details. 10. Concentrating on the road should always be your first priority while driving. Do not use the hands-free phone system if it will distract you. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Toyota is under license. A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. 11. Always drive safely, obey traffic laws and focus on the road while driving. Siri® is available only on iPhone® 4S or later, iPad® with Retina® display, iPad mini™, and iPod touch® (5th generation) and requires Internet access. Siri® is not available in all languages or all areas, and features vary by area. Some Siri® functionality and commands are not accessible in the vehicle. Data charges may apply. See apple.com and phone carrier for details. 12. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps and services subject to change. See toyota.com/entune for details. 13. SiriusXM services require a subscription after 3-month trial period. **Subscriptions governed by SiriusXM Customer Agreement available at www.siriusxm.com. If you decide to continue your SiriusXM service at the end of your complimentary trial, the plan you choose will automatically renew and bill at then-current rates until you call 1-866-635-2349 to cancel.** Fees and programming subject to change. Available only to those at least 18 years of age in the 48 contiguous United States and D.C. 14. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. HD Radio™ Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio™ and the HD, HD Radio, and "Arc" logos are proprietary trademarks of iBiquity Digital Corp. 15. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Availability and accuracy of the information provided by the navigation system is dependent upon many factors. Use common sense when relying on information provided. Services and programming subject to change. Services not available in every city or roadway; updates may be available at an additional cost from your dealer. See your *Navigation System Owner's Manual* for details. 16. PANDORA®, the PANDORA® logo, and the Pandora trade dress are trademarks or registered trademarks of Pandora Media, Inc., used with permission. 17. The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Cold weather will limit effectiveness and view may become cloudy. 18. The Toyota Tire Pressure Monitor alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See your *Owner's Manual* for details. 19. The Smart Key System may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. 20. This floor mat was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat must be secured with fasteners. Do not install a floor mat on top of an existing floor mat. 21. Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control. Please see your *Owner's Manual* for further details. 22. Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions. 23. Smart Stop Technology® operates only in the event of certain simultaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology® is not a substitute for safe and attentive driving and does not guarantee instant stopping. Please see your *Owner's Manual* for further details. 24. All the airbag (AB) systems are Supplemental Restraint Systems. All ABs (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions: frontal and knee ABs typically inflate in frontal collisions; side and side curtain ABs in side collisions; Roll-Sensing Curtain ABs at a severe tilt degree, roll or lateral G-force. In all other accidents, the ABs will not inflate. To decrease the risk of injury from an inflating AB, always wear seatbelts, sit upright in the middle of the seat as far back as possible and do not lean against the door. Do not put objects in front of an AB or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. The force of an inflating AB may cause serious injury or death. See your *Owner's Manual* for further information/warnings. 25. Whiplash-Injury-Lessening front seats can help reduce the severity of whiplash injury in certain rear-end collisions. 26. The engine immobilizer is a state-of-the-art anti-theft system. When you insert your key into the ignition switch or bring a Smart Key fob into the vehicle, the key transmits an electronic code to the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. Because the transponder chip is embedded in the key/fob, it can be costly to replace. If you lose a key or fob, your Toyota dealer can help, or you can find a qualified independent locksmith to perform high-security key services by consulting your local Yellow Pages or by contacting www.aloa.org. 27. Structures may interfere with signal. Compatible with all Apple® products using iOS 5.0 or later. Requires free app download. See *Owner's Manual* for details. 28. 2015 Corolla LE Eco EPA 30 city/42 hwy/35 combined mpg estimates. Actual mileage will vary. Does not include LE Eco Plus and LE Eco Premium.

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order.

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Emissions: Coverages vary under Federal and California regulations. Refer to applicable *Warranty and Maintenance Guide* for details.

Accessories: For Genuine Toyota Accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle's in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty.

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order.

For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage, with the exception of car covers. Car covers are warranted for 12 months from the date of purchase and do not assume any coverage under the Toyota New Vehicle Limited Warranty.

You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please visit www.toyota.com, refer to the applicable *Warranty and Maintenance Guide* or see your Toyota dealer.

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Prototypes shown. Actual production vehicles may vary.
